Our goal at Trinity Springs is to help you to stay as independent as possible by providing the conveniences and assistance you need. Your well-designed apartment and housekeeping, laundry and maintenance services can make life easier. WiFi, basic cable and all utilities except telephone are included in your monthly rent. A personal pendant and 24-hour emergency response system can give you peace of mind.

Our chef prepares delicious meals, using fresh, seasonal ingredients, three times daily. Professional staff will serve you in our beautiful dining rooms.

Social opportunities include events, education, guest speakers on a variety of topics and many others, chosen by the people who live here and directed by our activity professionals. Bible studies, worship services and spiritual care are offered. Trips to area restaurants, shopping and attractions are planned, and our scheduled transportation can take you there.
